

Consultation Notice

St Thomas C.E. Primary School Redevelopment Plans

Department
for Education

Tilbury Douglas Construction on behalf of the Department for Education (DfE) is inviting feedback as part of the pre-application consultation on redevelopment proposals for St Thomas C.E. Primary School.

The proposal is to develop a new purpose-built school on part of the Hawkhurst Street playing field site close to the existing site. The new school would be built to accommodate a similar number of pupils as it does now.

Subject to receiving the necessary planning consents once the new school is ready, the move would be made to the new school site and the existing school buildings would be demolished and works undertaken to deliver new public open space on the existing site.

There are several ways in which you can view the plans and provide your feedback:

- Visit the project website www.leighsaintthomasconsultation.co.uk and complete the online feedback form
- Attend the consultation event (details below). The information that will be shared here is also on the website
- Contact the project team by telephone: **075123 03018** or email: contact@leighsaintthomasconsultation.co.uk

CONSULTATION EVENT DETAILS

*Members of the project team will be in attendance to answer any questions you may have about the proposals.

Date: **Thursday 20th July**

Time: **5:00PM - 7:30PM**

Venue: **St Thomas C.E Primary School, Astley St, Leigh WN7 2AS**

BACKGROUND

In February 2021 St Thomas C of E Primary School together with Wigan Council were successful in bidding for major capital funding from the Department for Education (DfE) to improve the learning environment for pupils as part of the Schools Rebuilding Programme (SRP). The SRP provides funding to schools to undertake major rebuilding and refurbishment projects at school and sixth-form college buildings across England, with buildings prioritised according to their condition.

The pre-application consultation ends on Monday 31st July 2023.
